

# Last Saturday of Every Month

1-3pm  
at a different resort  
each month

As women, we bring a unique and powerful gift to the world, if we can stand in the beauty of our power and love. In this very masculine western world, it takes the support of a positive community of like-minded Women to fully embrace, embody and empower these divine feminine qualities in ourselves. And this is what the Goddess Circle is all about!

The Goddess Circle is a women's group celebrating the Divine Feminine and our connection to the world and each other.

It is an informal small group meditation and discussion/support group that meets once a month around the new moon with a primary focus on empowering and supporting each other as we move forward on our individual spiritual journeys by focusing on and experiencing together the transformative power of positive words and self-love.

The new moon is a time of new beginnings, introspection, regeneration and giving thanks. It is optimal for meditation and setting goals with clear intent.

Through ceremonies honoring our divine Feminine, sharing nourishing discussion, and playing with some activities that bring our creative divine energies to life in an affirming and positive atmosphere, we celebrate the beauty of our divine feminine selves and empower ourselves to walk into each season of our life with greater clarity and purpose.
